SARATOGA MEETING OPENS BRILLIANTLY IN ALL FEATURES EXCEPT THE WEATHER.

Roamer Wins the Saratoga Handicap in a Canter-Dominant First in the United States Hotel Stakes-Many Notables Present.

Stakes—Many Notables Present.

Saratoga, N. Y., August 2.—The Saratoga Association for the Improvement of the Breed of Horses had one of its best openings when the 1915 meeting was ushered in today. The attendance, estimated at 10,000, included perhaps more turfmen and men long identified with the sport than have been at Saratoga since the well-known resort was the Mecca of the thoroughbred and those connected with racing. Just before the first race a drizzling rain developed, which continued at intervals throughout the afternoon, but it in no way interfered with the sport nor did it cool the enthusiasm of the spectators. As usual, the local turn-out was large, the entire population greeting the return of the thoroughbred with open arms. The meeting promises to be the best seen in Saratoga for many years and, with the unusual number of crack racers here representing both east and west, racing of the greatest brilliancy can be expected.

The two outstanding features of the opening day were the Saratoga Handicap at a mile and a quarter, worth \$2,300 net, for three-year-olds and over, and the United States Hotel Stakes for two-year-olds and worth \$2,300 to the winner. The former resulted in a victory for Andrew Miller's Roamer, which racing to his best form, dominated the running from the start and drew away into a long lead in the stretch to win by ten lengths in 2:04% in a highly impressive manner. There is no question but what the little horse could have reduced the track record of 2:04 had he been urged. Saratoga was second in advance of star Jasmine. Borrow, one of the choices, ran a dull race, never being a contender at any stage.

The colors of L. S. Thompson were carried to victory in the two-year-old stake when Dominant, running a good race, led his opponents home by six lengths after being in front from the first eighth of a mile. Dominant's performance was a good one and demonstrated that he is to be reckoned with in the future. The opposition that Dominant defeated Included, among others, Bulse, acclai

finished second, but was disqualified for foul and
placed last. No racing in 1911 and 1912. Not run
in 1900.

The colors of J. W. Schorr were victorious in the
fifth race when Lindenthal secred over Amalfi by a
short head. The latter finished with his usual burst
of speed and just failed to get up. The Shillelah
Sceplechase went to El Bart, the odds-on favorite
over Swish and Knight of Merci, the only other
starters.

Two run-ups occurred during the afternoon, the
first coming with the running of the first race when
Mrs. J. Shilling's Conning Tower was advanced
from his entered price of \$800 to \$1,200 by Frank
J. Nolan and sold. Then when Lindenthal won the
fifth he was run up from \$700 to \$1,200 by Frederick
Joinson, but was bought in.

Colonel Vennie, winner of the sixth race, marked
the first success of the Livingston horses at Saratoga. He is a good-looking youngster and will
doubtloss improve.

William K. Vanderbilt acted as one of the stewards during the fifth and sixth races.

Polroma, which started in the two-year-old stakes
in Jefferson Livingston's colors, is the first of the
get of Polymchus to race in this country. The
latter is the sire of Pommern, whner of this
year's New Derby.

At a meeting of the stewards of the Jockey Club,
held in the clubhouse this afternoon, the suspension of Edward W. Heffner, former trainer for
H. C. Hallenbeck, who was suspended during the
recent Empire City meeting, was ordered continued.
He will be given a hearing later on.

The Powers-Hunter company will conduct a weekly sale in the paddock at the Spa each Saturday. The first hatch of theroughbreds to go under the hammer will be the Edenwold yearlings, the property of Messrs. Parmer and Hendrie, which will be sold next Saturday.

Prominent visitors at the track today included F. O. Beach, Mr. and Mrs. Russell T. Colt (nee Ethel Barrymore). John McCormack, Paul Armstrong and Mr. and Mrs. Sam Bernard.

White Hackle, the star juvenile of John E. Maden's stable, has really been sold for a reported price of \$18,000 to the Shoshone Stable, which is maintained by W. R. Coe. This has not been publicly announced, but the facts came out today when it was stated that Mr. Madden has actually sold the colt, but had not yet transferred him.

J. W. King-Bodds reports he recently refused an offer of \$5,000 for his highly-tried two-year-old Lubelski by Ferole—English Esher, which has been showing fast trials since coming to the Spa.

ARRANGING DETAILS IN THE FAR WEST.

Report That No Objections Will Be Raised to Betting in Connection with San Francisco Meeting.

ting in Connection with San Francisco Meeting.

San Francisco, Cal., August 2.—Horsemen are discussing the matter of bookmaking in connection with the exposition races. It is understood that during this one meeting, which begins August 21, there will be no opposition to betting. Some favor what is known as syndicate booking. Others believe that there should be an open ring. Should the syndicate book be decided upon, a man of national reputation will be needed at the head of it. The Golden Gate Thoroughbred Breeders' Association, which will promote the meeting, insists that the meeting will conform strictly with the law.

Work was begun last week in plowing up the Exposition race track. Secretary J. C. Nealon of the Golden Gate Thoroughbred Breeders' Association has wired owners to "come on," and some horses are on their way from Denver and other points.

Secretary Nealon has mailed out the entry blanks for stakes and handicaps, to close August 10. The list of feature events follows:

Exposition Handicap, one mile, \$1,000 added by C. W. Clark.

Stewards' Cup Selling Stakes, seven-eighths mile, \$1,000 guaranteed.

President's Cup Handicap, one and one-eighth miles, \$1,000 added.

Geraldine Handicap, three-quarters of a mile, \$1,000 purse.

Golden Gate Handicap, mile and a quarter, \$1,500 guaranteed.

Juvenlie Handicap, five-eighths mile, \$500 guaranteed.

Juvenile Handicap, five-eighths mile, \$500 guaranteed.
San Francisco Handicap Stakes, one mile, \$1,000 guaranteed.
W. W. Ashe has written from Glen Ellen for stable room and is anxious to move in as soon as possible. Lee A. Blasingame of Fresno is anxious to do the same thing, and they will probably make up the first consignment to reach the exposition track. J. Randolph wired for eleven stalls from Denver and will start west immediately.
A number of special races have been arranged for army horses and polo ponies. The San Francisco-California Driving Club staged a number of similar events on its Fourth of July program, and they were exceedingly interesting. Cups will be presented to the winners.

CURRENT NOTES OF THE TURF.

T. M. Williams has purchased of James B. Riley the bay gelding Allan Bridgewater, 7, by Allan-a-Dale—Biscayne.

The date of the dispersal sale of the entire Elmendorf Stud has been changed from September to October 28. There are 102 head of stallions, broodmares and weanlings.

A. C. Blume, who has Mr. Specs, Peaceful and a few more likely ones in his string, will remain at Belmont Park for a few days and then ship back to his winter quarters at Bay Shore.

to his winter quarters at Bay Shore.

E. R. Bradley lost at Saratoga last Wednesday from pneumonia the bay filly Browneyed Kate, by Helmet—Miss Ringlets. She was quite a promising two-year-old, her first start being on May 22 at Bouglas Park, where she won three races.

Ed Kane, manager of August Belmont's Nursery Stud, has sold to John E. Madden, Hamburg Place, the bay yearling filly, by Fair Play—Lucy Cross (dam of the winners Crossbar, a good winner in England; Crossways, Crossover, Cracker Box, Crossbun, etc), by St. Simon.

A yearling bay colt by Toddington—Lottie Dare,

A yearling bay colt by Toddington—Lottic Dare, belonging to T. P. Hayes and trained by T. L. Pearce, was destroyed last week. He ran away with his rider at the Kentucky Association track and fell in the infield. His back was so badly injured that he had to be destroyed.

jured that he had to be destroyed.

John E. Madden is reported to have sold White Hackle, the two-year-old chestnut colt by Star Shoot—Mary Taibott, to a purchaser whose identity remains a secret, for \$20,000 and 25 per cent of the value of the Futurity in the event the colt is fortunate enough to win that classic. White Hackle is accounted the best of the eastern juveniles.

E. J. Albright, who had four promising two-year-olds at the Gravesend track during the winter, will remain at Aqueduct until the fall meeting at Belmont Park. Mr. Albright has had much ill luck with his string between sickness and colts going amiss, and by giving them the month of August for rest he thinks it will bring them around for fall racing.

Albert Rohrback, who has resigned as manager of

racing.

Albert Rohrback, who has resigned as manager of the Connaught Park Jockey Club, will continue to serve in the capacity of a director, as he represents a large block of the stock holdings in the association. It is understood that he has interested himself in another racing venture and that he will move from the Canadian capital in the near future. Other resignations from the club directorate may follow, including that of F. W. Carling. Mr. Rohrback's successor has not been named. Pullux Ella Bryson Sasin Miss Puzzle Sam Slick Sky Pilot . EMPIRE CITY ASSOCIATION STATISTICS.

The summer meeting of the Empire City Racing Association, which opened at Belmont Park July 14 and came to a close at Aqueduct July 31, embraced sixteen racing days, the first ten days of the meeting being held Belmont Park and the last six days at the Aqueduct course, during which time ninety-six races were decided and \$74.835 was distributed in stakes and purses. August Belmont, chairman of the Jockey Club, with \$7,290 to his credit, was the leading money-winning owner. Of the 108 owners who shared in this distribution the following sixty-four were winners of \$300 or more:

TURF ERUPTION CONVULSES RENO.

A condition of warfare excited Reno, Nev., last week, The circumstances were thus detailed in the San Francisco Chronicle of July 28:

week. The circumstances were thus detailed in the San Francisco Chronicle of July 28:

"Threats and accusations flew thick and fast at the meeting of the Nevada State Racing Commission, held here this morning.

"Charles T. Boots, who was appointed chairman of the commission, was the object at which most of the speakers objected to. W. C. Moffatt of Reno and A. T. Henderson of Elko stated that Boots, instead of being a booster to aid racing, was, by ill-advised actions, doing harm to the sport in this section and trying to bring it into disreptite. George W. Wingfield acknowledges that he requested Governor Emmett Boyle to appoint Boots as one of the commissioners. He plainly told Boots he was sorry be had done so and asked him to resign. Moffatt charged him with being a disturber and with double-dealing while posing to be a friend of racing, doing all in his power to break up the meeting now running here.

"Today's meeting was a continuance of a meeting held last Saturday evening, when on that occasion Boots refused to vote to confirm the action of the board of stewards in appointing the presiding judge of the Reno Fair and Racing Association as one of its members. Henderson not being present, it created a deadlock.

"Presiding Steward J. J. Holtman, Manager W. W. Finn and Secretary J. A. Sehas all held that if A. T. Dobson was not made a member of the board they would resign and Schas stated that he would close down the meeting.

"At the meeting held today the commission confirmed the appointment of the presiding judge as a member of the board of stewards and voted 'no' to every proposal made by Boots, and requested that he resign from the commission, and adjourned."

GENERAL NEWS NOTES OF THE DAY.

GENERAL NEWS NOTES OF THE DAY.

Official confirmation of the reoccupation of Mexico City by Carranza's army under General Gonzales reached the state department yesterday from American Consul Silliman at Vera Cruz. A message to the American red cross from Mexico City says there have been cases of death and collapse from starvation in the capital. The red cross message was from Charles J. O'Connor, the society's relief agent at Mexico City. Prices already are prohibitive. There is practically no corn in the city. Some people the eating leaves, grass, weeds, dead horses and mules. Consul Silliman's message that Mexico City was occupied by the Gonzales forces added: 'Director of the telegraph states telegraph communication has been opened with Tula via Pachuca and is being pushed northward. Occupation of Zacatecas by Obregon's forces confirmed. It is expected that Carranza will move his entire government to Mexico City during August.'

Germany's first response to the last American note on submarine warfare has come from the admiralty, which has requested that American ships have American flags painted on their sides in proportions large enough to be recognized at a distance by submarine commanders, Many American ships are painting the national colors on their sides now, but it 'Is' said they are painted to small. Ambassador Gerard transmitted the request in 3 message. The dispatch brought out no comment in official quarters, but it was plain that evidence of a desire by Germany to avoid attacks on American ships was gratifying.

The Geneya, Switzerland, Tribume has published a dispatch from its correspondent at Innsbruck,

The Geneva, Switzerland, Tribune has published dispatch from its correspondent at Innsbruck,

Austria, who says that to the east of Warsaw the Germans have ceased their attack but to the northwest terrible fighting is still going on. The Russians are seeking to kill as many of their enemies as possible. To the north of Lublin, since July 31, the Russians have been fighting a powerful rear gnard action. In this vicinity the Austrians have lost no fewer than 40,000 men during the last forty-eight hours. To the south of Cheim, the correspondent goes on to say, there have been constant counter attacks and the Austrians have not advanced in this sector since last Saturday. To the east of Ivangorod the Austro-Germans have advanced a distance of forty miles in the last four days.

This year's cotton crop will be approximately Austria, who says that to the east of Warsaw the Germans have ceased their attack but to the north-west terrible fighting is still going on. The Russians are seeking to kill as many of their enemies as possible. To the north-of Lublin, since July 31, the Russians have been fighting a powerful real guard action. In this vicinity the Austrians have lost no fewer than 40,000 men during the last forty-eight hours. To the south of Cleim, the correspondent goes on to say, there have been constant counter attacks and the Austrians have not advanced in this sector since last Saturday. To the east of Ivangored the Austro-Germans have advanced a distance of forty miles in the last four days.
